Adopted April 23, 2019

As amended August 3, 2022

Effective August 11, 2022

RULES FOR LOTS IN SINGLE FAMILY SUBDIVISIONS

The following rules are applicable to all Lots in single family subdivisions within Continental Country Club governed by the Amended and Unified Declaration of Restrictions for Continental County Club, recorded on August 25, 2006 at recording number 3399677, Official Records of Coconino County, Arizona Recorder (hereinafter the "CC&Rs").

1 **Occupancy and Lease/Rental Restrictions/Tenant Registration**

- 1.1 As provided in Section 2 of the CC&Rs, the Lots are restricted to single family dwellings for residential use only by one family. For purposes of the CC&Rs and these Rules, the term "family" means a group of one or more adults who regularly (not temporarily) maintain a common household, along with any minor children under the legal custody of the adult(s) in the family and together with their domestic employees or contractors; provided, however the adults in the group shall consist of either: (a) persons who are each related to each other by blood, marriage, or legal adoption; or (b) not more than four (4) persons, some or all of whom are not related to the others by blood, marriage or legal adoption. As provided in Section 12 of the CC&Rs, no boarders or renters of a portion of any of the Lots shall be permitted, but an entire lot, together with the improvements thereon, may be rented only to a single family. All rentals/leases must be registered with the Association as provided in the Association Rules.
- 1.2 ARS § 33-1806-1 allows homeowner associations to implement a Tenant Registration Policy and charge a processing fee. The Association makes all governing documents, such as CC&R's and Bylaws, available on the Association website. Within fifteen (15) days after commencement of each lease/rental term (even a renewal), the owner of the residence shall provide the Association with a completed copy of the Tenant Registration Form. In addition, the owner shall pay the Association a \$25 processing fee within fifteen (15) days after commencement of the lease/rental term if there is a change of tenancy. Existing contracts between owners and tenants will not be grandfathered in or exempt from this new program. The owner/Member shall be liable for any violation of these Rules by the tenants or other persons residing in the home and their guests or agents. Owner is advised to explain and provide copies of the Rules, relevant CC&Rs, and all Association policies to the lessee/tenant. The owner/Member, upon demand of the Association, shall immediately take all necessary actions to correct any violations. All fees associated with this policy are the responsibility of the owner/Member.
- 1.3 Advertising of Rental
No owner shall advertise for the rental of a lot to a group that is not a single family. By way of example, a description in an advertisement or property listing that the Lot would be good for "large groups", "corporate events", "Church groups", "retreats", or similar descriptions is a violation of these Rules and Regulations.

2 **Design and Landscape Review Process**

Members wishing to make changes to their property (the landscaping and/or or structures thereon) must submit plans to the Architectural Committee (ARC) for approval before commencing any work. Members must contact the Association management office or access the website www.continentalflagstaff.com to receive a current copy of the Design Review Form.
